Bowlyou's Ice Cream and Grill Reaches One Year Anniversary!

January 18th, 2020 marked the first year anniversary for Bowlyou's Ice Cream and Grill in Milan. To celebrate, every customer had the opportunity to win a discounted or even a free item. In addition, Bowlyou's added boneless and traditional wings with the choice of thirteen difference sauces to choose from as well as two new grilled cheese sandwiches called the Mama B and Papa B grilled cheese.

Even though the weather was not the greatest on their anniversary, Bowlyou's mentioned that the day was a success. Many customers stopped in and took advantage of the wings, grilled cheese sandwiches, and the discounts and items given away.

Bowlyou's Ice Cream and Grill wants to thank the community for all their support during their first year of operation in 2019. They had a great first year and are so grateful for all the customers that support them day in and day out. Customers can always follow them on Facebook for updated promotions or their new website at www.bowlyous.com. In addition, customers can use the bluejacket app on their phone and will be notified of any specials.

Lastly, Bowlyous wants to share with everyone that they will be open Super Bowl Sunday from 3 pm to 9 pm with delivery available. Call in your order or stop in. A great night to try their boneless and traditional wings.
